

## Sustainable Blacksburg Grant Request

The mission of Sustainable Blacksburg (SB) is to preserve and enhance sustainable living in Blacksburg and environs by promoting **clean energy, smart growth and mobility, ecological integrity, social equity, and reduction of waste** (especially carbon emissions, and pollution).

To encourage others to assist in accomplishing this mission, SB will be awarding up to three grants of up to \$500 each during calendar year 2021 for projects that support our mission.

Projects are expected to be accomplished within one year of the grant award.

Timeline for first grant award:

Project proposal submittal deadline: April 30

Project approval date: May 12

Timeline for second and third grant awards:

Project proposal submittal deadline: June 30

Project approval date: August 1

To be considered for a grant, return this form by the deadline to [sustainableblacksburgva@gmail.com](mailto:sustainableblacksburgva@gmail.com), using the subject header “Grant Proposal.”

## Sustainable Blacksburg Grant Request

1. Title of Project:
2. Name/Position of project proponent:
3. Email address:
4. Phone number:
  
5. Amount requested (\$500 maximum):  
How will these funds be used?  
  
If funds in excess of the grant amount are needed to accomplish the project, identify the source of the additional funds.
  
6. Organizational Overview: Please describe the nature of your organization (note: does not have to be a formal organization; can be informal group of neighbors, for example). (Limit: 100 words)
  
7. Project Summary: Please provide a short summary of your proposed project and how it relates to the SB mission. A proposed project must serve the common good and cannot be for a single individual or on an individual's property. Projects serving a neighborhood, church, school, or other public space or group are eligible. (Limit: 200 words)
  
8. Project Description: Please provide a timeline for accomplishing the project, whether any ongoing maintenance will be required and if so, how it will be accomplished. Note any additional details you would like to provide to aid us in making a decision about your request. (Limit: 200 words)
  
9. Project follow up: If your request is granted, will you provide Sustainable Blacksburg with a short summary of the results of the project along with at least two photographs (one during and one at completion) that we may use on our website and social media to promote the results of our grant program?
