

Do you have more invasive vines than you think you can tackle on your own? Here are some resources to help you get started!

NRV Tree Rescuers is aware of 2 local contractors who specialize in removal of invasive plants and vines.*

Eastern Forest Consultants

www.easternforestconsultants.com

Kudzu Clearing

www.kudzuclearing.com

Blue Ridge PRISM (Partnership for Regional Invasive Species Management) also maintains a statewide [list of contractors](#) available for hire to remove invasive plants.

Use this QR code to view the Blue Ridge PRISM list.

Rent-A-Rower

If you just need some extra (strong) hands, for \$20/hour, members of the VT Crew Team can be hired to help with yardwork or other tasks. Learn more: www.vtcrew.org/fundraising

* NRV Tree Rescuers does not endorse or accept responsibility for work performed by the contractors listed. Homeowners should use their own good judgment before hiring a contractor. Always ask for a written estimate, proof of insurance, and a written contract.
